The middle of Lake Huron seems like a great place to social distance. We installed the fishing docks early this season for those who want to socialize with some fish.

**Jenny Lynn** Since everyone is asking questions... will they be picking up lawn and leaf bags soon? 😊 we've been playing in the yard a lot. Haha

**Freddy Kaufman** I'm all for fishing but seeing the boat launches PACKED to the brim the last few days and guys 5/6 deep in little boats totally makes the whole thing look bad! That's not social distancing at all lol! Go fish alone, or take 1 person, 1 guy for the front, 1 guy for the back of the boat! Common sense!
